

To the Men & Women of Johnson County, Kansas,

In my 23 years of state and county law enforcement career, Doug Bedford was one of a handful of supervisors I considered to be the best I worked for. His knowledge of his supervisory position, years of experience and the fact he let his subordinates do their jobs without micromanaging made him one of the best.

I know he will make a great Sheriff for the citizens of Johnson County and for the officers and staff of the Johnson County Sheriff's Office.

Respectfully,

Bill Stout

Kansas State Trooper/ Johnson County Deputy Sheriff (Ret)
