

To the Men & Women of Johnson County, Kansas,

Doug's entire adult life has been about serving others. His commitment to our nation and his community is exemplified by his 8 years of military service as a U.S. Navy SEAL and decades of law enforcement experience. I have no doubt that as the Sheriff of Johnson County, Doug would continue to serve its citizens with the same passion and humility he has exhibited his whole life.

Title: Colonel Charles J. Butler, USAF, Retired
