

To Whom it May Concern,

I have known Doug Bedford for several years.

When I worked as a Master Deputy for the Johnson County Sheriff's Office I had the pleasure to work with and around Doug while he was serving and supervising in the various divisions with the Johnson County Sheriff's Office. I personally experienced the respect Doug had for and from the men and women of the Sheriff's Office and his knowledge, experience, and leadership ability will serve him well as Sheriff of Johnson County!

Respectfully,

Chief Chris Springer

Chief of Police, Belleville, KS

Master Deputy, Johnson County, KS Sheriff's Office (former)
