

To Whom it May Concern,

I have known Doug Bedford for more than 30 years. I have found him to be a person with the highest character and integrity. With his valuable military and law enforcement leadership experience, Doug has continually demonstrated he is the right person to lead the Johnson County, Kansas Sheriff's Office into the future for the citizens of this great community.

I completely endorse him for the position of Johnson County Sheriff.

Ed Drake

Olathe, Kansas Police Detective (Retired)
