

To the Citizens of Johnson County, Kansas,

I have known Doug Bedford for more than 20 years, and I strongly endorse his candidacy for Johnson County Sheriff. I worked with him as a peer as well as under his supervision at the Johnson County Sheriff Department. As he progressed in his career with the Sheriff's Department, he always kept his fellow employees and subordinates best interests foremost in his decision making.

As a fellow Veteran I believe that Doug would make an outstanding Sheriff keeping the citizens of Johnson County Safe as well as moving the Sheriff's Office into the future.

Sincerely,

Ivory D. Desper Sr.

Johnson County Sheriff's Office

Master Deputy (Retired)
