

To Whom it May Concern:

I have known Doug for most of my adult life. I had the privilege of working with Doug, at the Johnson County Sheriff's Office, for many years. I am proud to be his friend. Doug is authentic and cares about those around him. He worked under several amazing and well-respected Sheriffs and supervisors, whose leadership was an influence in his own law enforcement career. You won't find a harder working and honest man.

He is a lifelong resident of Johnson County and has always had the best interest, wellbeing, and safety of its citizens in mind, during his career. A vote for Doug, as the Johnson County Sheriff, is a smart investment for its citizens.

Respectfully,

Master Deputy Elizabeth Krape (Johnson County Sheriff's Office, Retired)
