I have known Doug Bedford for over 30 years, both personally and professionally. Doug is a man whom you can count on and will always do the right thing. Doug is so much a steadfast rock of a man that he made the seal team in the United States Navy, not an easy feat. Doug is grounded in his midwest values. Doug was an exemplary Deputy for the Johnson County Sheriff's and rose through the ranks, again, not an easy feat to accomplish. Doug is a true leader and will back and make proud the men and women of the Sheriff's department and the citizens of Johnson County.

As a life long Johnson County resident and a 31 year police veteran in Johnson County, I know what Johnson Countians expect from our law enforcement officials. Doug is what we expect and deserve. This is why I whole heartedly endorse Doug Bedford as our next Johnson County Sheriff.
