

To the Citizens of Johnson County,

I am proud to have known Doug Bedford for more than 30 years as a friend and colleague. Doug's leadership skills are second to none.

Doug is a true friend and leader, and his honor and value are incomparable. I know and trust that he would make an outstanding sheriff of Johnson County, Kansas, and the community would be fortunate to have him.

Throughout his experience in the profession, he has demonstrated exceptional discipline, kindness, and patience. His ability to guide and prioritize the needs of others makes him a beyond-qualified candidate.

Respectfully,

Sgt. Stuart Burton (Retired)  
Johnson County Sheriff's Office
